JM said that we can copy and paste sections from the digital copy of the plan that WP sent to all of us last week to facilitate updates through the partners we will be contacting to update the plan.

We need to be sure to add the names of those who help us along the way so we can compile an accurate list of people to thank at the end of the new plan.

The Vermont Bike and Pedestrian Program grant project proposed by Tom Bernier will enhance pedestrian bicycle safety and access to Gardner Park and is fully endorsed by the Newport Planning Commission.
